## **SOUTHWEST BOTANICAL PRODUCTS**

**BODY BLISS presents a collection of natural products for face and body. Uniquely formulated with organic and wild-harvested herbs and essential oils from plants native to the American Southwest, these products are therapeutically active, and will lend a sense of authenticity and location to your spa. Products are scented with one of three essential oil blends: Turquoise Sage, Prickly Pear and Cedarwood Citrus.**

### **Turquoise Sage**

Organic and wild Sages and Lavenders make this blend purifying and calming. Its light, herbal bouquet is healing and relaxing. The light blue-green color in some of the Turquoise Sage products comes from azulene (from Blue Chamomile), that is soothing and calming to the skin. Turquoise Sage products are energized with pure Turquoise gemstones to impart strength and calm, and to open the channels of communication.

### **Prickly Pear**

The waxy yellow and magenta flowers of the Prickly Pear are a familiar sight throughout the desert Southwest. Made with Prickly Pear Extracts that have a soothing and anti-inflammatory action, in combination with pure essential oils of Orange, Lime, Clementine, Ylang Ylang, Rosewood and Wild Tansy, this group of products is emotionally uplifting, fresh and deliciously fruity.

### **Cedarwood Citrus**

These trees impart an earthy, woody tone blended with warming Sweet Orange and Bergamot to give a wonderfully rich, comforting aroma. Juniper is purifying to the aura and helps soothe aches and pains in the joints, as well as encouraging lymph drainage. Cedarwood is soothing and grounding, encouraging deep let-go and relaxation.

### **Yucca Root Body Wash**

Yucca Root contains natural cleansing agents that have been used by the native peoples of the Southwest in ritual and in daily life since ancient times. This mild foaming body will cleanse and refresh the skin while uplifting the spirits. Can be used with loofah mitts for a wonderful foaming body scrub. This formula is free of harsh sulfate cleansers. *Prickly Pear, Turquoise Sage, Cedarwood Citrus.*

## **Sacred Clay Face and Body Mask**

This rich, red clay mask carries the energy of Sedona and offers a deep detoxifying and revitalizing skin treatment. Made with Sedona clay and other cosmetic grade desert clays, its beautiful smooth texture is charming to apply. A purifying and uplifting treatment for face and body, follow with an application of Jojoba Body Lotion or Jojoba Body Butter to hydrate and protect your skin. *Prickly Pear*.

## **Desert Sea Mud Mask**

With pure cosmetic grade desert clays and desert botanicals, this clay mask for face and body is designed to soothe and detoxify your skin, leaving you feeling re-energized and refreshed. A purifying and uplifting treatment for face and body - follow with an application of Jojoba Body Lotion or Jojoba Body Butter to hydrate and protect your skin. *Turquoise Sage*.

## **Jojoba Body Lotion**

Our most hydrating, natural body lotion, rich in organic plant extracts and natural emollients such as aloe vera and glycerin. It absorbs easily, feeding the skin without leaving any residue. *Turquoise Sage, Prickly Pear, Juniper Cedarwood*.

## **Jojoba Body Butter**

Made with only natural shea butter, jojoba and other plant emollients this butter will nourish the skin with essential fatty acids. It has the texture of whipped cream, is easily absorbed leaving a non-oily finish and feels divine. *Turquoise Sage, Prickly Pear, Cedarwood Citrus*.

## **Aloe Vera Body Mist**

Refreshing and soothing Aloe Vera is the deserts answer to all kinds of minor irritations, inflammations and burns. Blended with moisturizing glycerin and pure essential oils, carry it in a purse for day round hydration and refreshment. *Prickly Pear, Turquoise Sage*.

## **Desert Salt Body Polish**

Contains fossilized desert salts that are said to be ideal for the human body, matching its mineral balance like no other naturally occurring salt. Its fine, powder like texture offers a gentle yet thorough exfoliating treatment, sloughing off dead skin cells and leaving the skin soft and glowing. At the same time, the salts energetically cleanse the electro-magnetic field that surrounds the skin, leaving you feeling refreshed inside and out. *Turquoise Sage, Cedarwood Citrus*.

## **Jojoba Sugar Body Polish**

This body polish was made for extra sensitive skin. Fine, white sugar is drenched in jojoba and organic essential oils to exfoliate gently and leave the skin soft and clean. No greasiness, packed with anti-oxidants. *Prickly Pear*.

### **Mountain Arnica Massage Oil**

A uniquely healing and purifying massage oil that is rich in Southwest botanicals. Mountain Arnica is great for easing the pain of injury and other inflammatory conditions. Use to relieve muscle tension, minor sprains and fatigue; it will loosen up that golf swing or soothe the body after sport. *Turquoise Sage.*

### **Cedarwood Citrus Wild Chaparral Massage Oil**

With ethically wild-harvested herbs infused in sunflower oil, Native Beargrass Massage Oil is a healing treat from the desert Southwest. Beargrass has been traditionally used to counter venous deficiency and support healthy circulation. This blend is warming, grounding and comforting. *Cedarwood Citrus.*

### **Aloe Vera Massage Oil**

Aloe Vera infused oils have a soothing, cooling and healing effect on the skin. This deliciously uplifting and moisturizing oil is perfect for summer massage and for more sensitive skin. *Prickly Pear.*

### **Desert Dew Face & Body Moisturizer**

Desert Dew Face and Body Moisturizer is a unique formula loaded with botanical extracts to heal, protect and nourish your skin. Drawing on the deserts natural answers to retaining moisture and protecting from sun damage this is the best solution to dry, damaged or (mildly) sunburned skin. Also contains Rose Hip Oil and Seabuckthorn Berry Extract, a natural source of palmitoleic acid which is one of the building blocks of healthy skin.
